2. STATUS

The „SPORTS CAR CHALLENGE 2022“ is an international series competition on clubsport basis, for topless, two-seated sports cars (prototypes), respectively sports cars as mentioned under regulation point No. 5.

Allowed are all members of the Sports Car Challenge Club, when also in possession of a license, according to the regulations under point 4.4 in this very regulations document.

The „SPORTS CAR CHALLENGE 2022“ is being regulated after the following sport-resolutions, -laws and –regulations. All participants agree to the following rules, by submitting the registration form:

- International automobile law – FIA
- National sports regulations and track circuit regulations of the AMF
- Current regulations and eventual changes and additions, regulations and eventual accomplishment regulations that come from the promoters/organizers of the individual races and tracks, according to their ASN.

3. EVENTS

The „SPORTS CAR CHALLENGE 2022“ hosts the listed racing weekends under point 12. In this regulations, limited by a maximum of 12 classified events. The organisation reserves rights for schedule changes in coordination with the AMF.

4. REGULATIONS FOR PARTICIPANTS IN SPORTS CAR CHALLENGE 2022 RACES

- 4.1. Every participant of a „SPORTS CAR CHALLENGE 2022“, including the free training, agrees to the current regulations of the „SPORTS CAR CHALLENGE 2022“ in every point.
- 4.2. The usage of series related advertising material (series stickers), placed on the participating cars has to be permitted, if demanded by the organisation team (see point 1), if the funding of the series, or individual race weekends is assured with it or if special benefits for the drivers can be earned from it. This also applies to stickers, that clarify that the driver / the car is participant in the „SPORTS CAR CHALLENGE 2022“.
The advertising must not offend any existing sponsoring contracts of the participant.

The following advertising stickers are planned: AVON tyres, SFA, Breitenmoser (20 x 10 cm each), and also one or two additional stickers, format as mentioned. Alternatively to that, the advertising can also be part of the starting numbers, provided by the organisation.
- 4.3. The participants of the „SPORTS CAR CHALLENGE 2022“ are requested to prefer the series sponsor, the company Knüttel, that provides tyres and tyre service during our race weekends.
- 4.4. All drivers that participate in the „SPORTS CAR CHALLENGE 2022“ need to own a international license of the classes D or C or a FIA accepted ASN that allow it's owner to participate in clubsport-events. Owners of an international B-license can only participate with a special agreement of the organisation. Owners of an international A-license, or professional race car drivers, are ruled out of participating in the SCC.
- 4.5. With the registration for the „SPORTS CAR CHALLENGE 2022“ (see Point 8.) the registrations for the separate events are included. All registered participants are being set up for every race weekend in the „SPORTS CAR CHALLENGE 2022“, unless a formal accusation or sign-out has reached the organisation crew. Every participant also accepts the regulations of the individual circuit promoters. A copy of the circuit-regulations will be sent to every participant with the registration confirmation before every race. Registrations for race-weekends have to be sent to the Sports Car Challenge organisation team, not the circuit-promoter!

- 4.6. The registrations and entry fees for guest participants for single races / race weekends for the „SPORTS CAR CHALLENGE 2022“ have to be sent to the series organisation Team (see point 1.). Already registered participants in the „SPORTS CAR CHALLENGE 2022“ have also priority in trainings and starting slots over guest participants. Only the series organisation decides whether or not guest participant registrations are permitted or not.
- 4.7. Car change / reserve vehicles:
The swap of a race car during a weekend is always possible, as long as the second car belongs to the same car category as the first registered car. Additional cars for swapping have to be shown and being accepted by the technical stewards of the „SPORTS CAR CHALLENGE 2022“. Also for an additional car, a complete registration with all the relevant technical information of the car has to be submitted.
- Every participant / driver is responsible that the needed informations and registration foms for cars reach the technical steward of the „SPORTS CAR CHALLENGE 2022“, in time. If the required registrations remain undone, the participant won't be permitted to start.
- 4.8. The organisation team (see point 1.) reserves the right of rejecting registrations to the „SPORTS CAR CHALLENGE 2022“. In this case, the full entry fee will be refunded completely.

 - Must confirm to all security regulations and need to have enough track-knowledge to race safely
 - Will be placed at the bottom of the grid.
- The sporting stewards can also apply the above mentioned rules and regulations to drivers, that participated in the qualifying but did not qualify for the race because of force majeure.

6.6. Start:

- The start of races in the “SPORTS CAR CHALLENGE 2022” are executed via rolling start (indy-start)
- To start the engines, in front of the boxes and the pre-start, every car is allowed to use compressed air and/or batteries, that are removed before the start
- Push-starting cars at the pre-start is only allowed, if the series organisation, and the grid marshals are informed early enough. Latest point is the entrance of the starting grid for the pre-start. The information has to be delivered to prevent damage at the start and to ensure the safety regulations (additional flags and more attention).
Additional to that, the motor of each car must be started early enough before the 1 minute plate before the pre start and all crew members must have left the starting zone. So the push-start has to happen before that.
- If an engine should not be running right in time, the car has to be brought into the security area, beneath the track, or if possible, into the pit lane and can start after the last car has passed the pit-exit.

- If a team is still working on a car, when the 1 minute-plate for the pre-start is shown, or if the starting position is not taken correctly, this has to be sanctioned by the stewards, according to the current sport regulations.
 - Cars that jump the gun, will also be sanctioned by the stewards, according to the current sport regulations.
- 6.7. Driving conduct and stopping of a race:
- In general, the circuit regulations of the AMF apply.
 - a) The race shall be deemed to be in two parts, the first of which finished when the leading Automobile crossed the Line for the penultimate time before the race was stopped.
 - b) The length of the second part will be three laps less than the scheduled race distance, less the first part.
 - c) The grid for the second part will be a standard grid with the Automobiles arranged in the order in which they finished the first part.
 - In case of a race abort after 75% of the total distance, the race is officially finished and the full points will be awarded, according to the last crossing of the starting/finish line.
- 6.8. Award ceremony of the „SPORTS CAR CHALLENGE 2022“:
- After race finish, the first three in every of the divisions will be awarded. The location of the award ceremony depends on the circuit and will be promoted early enough to all drivers.

The end of the registration term for single event starters is always one week before the first official timed training session on each separate race weekend / event.

9. „SPORTS CAR CHALLENGE 2022“–RANKING REGULATIONS

9.1. Ranking:

The ranking and awarding of score is handled as mentioned in point 9.2 in this document.

Only registered participants to the „SPORTS CAR CHALLENGE 2022“ are scored that passed the starting line after the start signal.

Guest starters / single event starters are eligible for points and prizes, since a membership in the Sports Car Club is required

Points are only awarded to drivers, that absolved at least 75% of the total distance of the winner.

9.2. Scoring:

- Every division is scored separately (Division classement). In every race the points will be awarded in the following order:

1st place	26 Points	6th place	13 Points
2nd place	22 Points	7th place	12 Points

3rd place	18 Points	8th place	11 Points
4th place	16 Points	9th place	10 Points
5th place	14 Points	10th place	9 Point

- The full points will only be awarded, if the respective division has at least 3 cars participating. If 2 or less cars participate, the respective division will only be awarded half of the points at the end of the race! This will always be based on the official race results.

9.3. Divisions:

There are three divisions:

The driver with the most points in every division (1 or 2), is being awarded a price as "SPORTS CAR CHALLENGE 2022 CHAMPION" – Division 1 or 2. The driver with the most overall points is declared the "SPORTS CAR CHALLENGE 2022 CHAMPION"

9.4. Special division: Classic trophy within the division 1 and 2:

The series organisation is offering owners of classical sport prototype racecars (building year before 2005), to participate in a separate division within the "SPORTS CAR CHALLENGE 2022". These special divisions are classified as sub-divisions.

In every race of the „SPORTS CAR CHALLENGE 2022“ the best driver with a race car built before 2005, will be awarded separately. This applies to the best of division 1 and the best in division 2. Participant permitting, the series organisation reserves the rights to award more than one material prize per division.

In addition to the points of the division 1 and 2 (where the classic cars are scored regularly, like all the other cars), the classic trophy will be scored separately, per division. In this sub-division, there is no minimum of participants, so for this classic trophy division, it's always full points. Classic cars are also fully eligible for prizes and points.

Requirement for consideration in the sub-division "Classic" is, that the respective building year is mentioned in the registration and that the build year can be proven comprehensively with the car documents..In case of doubt of the build year, the series organisation is allowed to demand such documents that prove the build year.

9.5. Special division: - Endurance

Registered drivers in the „SPORTS CAR CHALLENGE 2022“ that participate on „SPORTS CAR CHALLENGE 2022“ – race weekends / events and also on the 60-minute races (see point 12. In this document for more information), are being classified in a separate division with pricing at the end of the season. This division consists of all 60-minute races in the „SPORTS CAR CHALLENGE 2022“ and the points are awarded as mentioned in point 9.2 in this document.

9.6. Prizes:

Within the big winning ceremony at the end of the season, the following prizes are awarded:

In every division (1,2): the first 6 drivers in the total result of the separate divisions, are awarded Trophies. The 3 best in the overall results of the Division 1 and 2 are awarded Trophies.

- 9.7. The series organisation reserves the right to award additional sub-divisions. In case that additional divisions are announced, the regulations of point 9.2, 9.3 and 9.4 apply also for these divisions.
- 9.8. Void results:
At the end of the season, the two races with the least points of every driver are crossed out. Only races with a low score or missing participation on one of the 2 races per weekend can be crossed out. Disqualifications cannot be crossed out.
- 9.9. In case of level score („ex aequo score“), the driver with more first places, then second places and so on will be granted the better position.
- 9.10. It is planned to make an awarding ceremony at the end of the season in an exceptional manner. The participation to this ceremony is obligate.

10. SPECIFIC REGULATIONS

- 10.1. Penalties:
The unattendance of drivers at drivers meetings is reported the sports stewards of the particular event and will be avenged.
- In case of a regulations violation, resulting in an disqualification and/or exclusion of a driver in a classified event of the AMF, it will be handled in the „SPORTS CAR CHALLENGE 2022“ as follows:
- The first violation → no points are assigned
The second violation → the driver is crossed out of all results and classements of the „SPORTS CAR CHALLENGE 2022“.
- In case of a penalty caused by a violation, the driver/participant will be made aware of the situation by writing, including an explanation on rights of appeal. This explanation does not offend the right of the driver/participant, for vocation of the national appellate court.
- 10.2. Regulation interpretation:
In case of obscurities, or questions, concerning the regulations, the sports stewards will decide over such. If during a season, reasonable events to change the regulations might occur, the series organisation is able to change these, after getting a permission of the AMF by-law. This also applies to point 10.4.
- 10.3. Protests:
The regulations of the international sports law, such as the protest regulations of the DMSB, or the hosting ASN, apply.
- 10.4. Exceptions from the current regulations for seperate events are possible, if communicated with the series organisation. Although, they should be already mentioned in the final event calendar of the „SPORTS CAR CHALLENGE 2022“.

10.5. For every unmentioned and/or unhandled issue/case in this regulations document, the official FIA-regulations apply.
